SEPTEMBER 2024

Let us gather as a community to celebrate the blessings that surround us

FROM PASTOR'S DESK

The Prodigal's Faith (Luke 15:17-19): It was the prodigal's faith that saved him. In spite of all his desperate plight, he believed four great things and acted upon them:

1. The Prodigal Believed that Death Awaited Him – Certain Death! “I am perishing with hunger!”
2. That a Hired Servant's Place Was Better Than Starvation in a Strange Country. “How many hired servants in my father's house have bread enough and to spare!”
3. That He Ought to Return and Get Himself Right with the Father. “I will arise and go to my father.”
4. That the Father Would Hear His Confession and Forgive Him.
- 5.

The one thing that all deep-dyed sinners can lay hold on and believe to the limit of their being – That God always has and always will hear the cry of the broken-hearted penitent.
